Subject: Continuation of Approval of the EASA Supplement to the MPM

Dear Sir:

Following a review of the elements contained in the referenced MPM Supplement against the requirements of the current Agreement on Civil Aviation Safety between Canada and the EU, Transport Canada hereby confirms the continuing approval of your MPM supplement for maintenance performed in the following categories:

Components
NDT
Welding

This supplement approval allows for acceptance by EASA of maintenance performed on EU aeronautical products subject to compliance with CAR 573 and the EASA special conditions as detailed in the Maintenance Annex Guidance (MAG) Revision 1.

Field Aviation

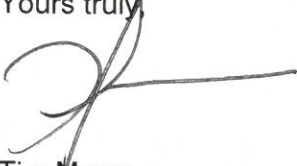

EASA Part-145 Approval Reference number: EASA 145.7072 valid until 2019-02-01

Your MPM supplement reference: Revision 4, dated 2015-08-07 is hereby approved by Transport Canada.

You are reminded that you will be required to submit your next application for renewal in accordance with the MAG which is available on the EASA web site at:

<http://easa.europa.eu/rulemaking/international-cooperation-bilateral-agreements.php>

Yours truly
